

## Working with Methods

Guidance for Associates & Candidates

## Why Methods?

When you work with us, you get professional, attentive service from our knowledgeable resourcers and account managers. We believe that resourcing is much more than recruitment - that's why we're recognised as one of the top three public sector recruitment companies by the Government Procurement Service (GPS).

Although, we are always looking to expand into new markets, our roles have traditionally focused on Programme/Project Management and IT in Healthcare, Local Government, Central Government and the private sector. It is our deep understanding of these sectors that has helped us to win numerous framework agreements over the past twenty years. We are proud to be the only organisation that has secured more than three lots on the GPS frameworks.

We have great relationships with our clients, and find many roles through repeat business. Our network of over 400 professional associates allows us to bring together the best ideas, people and partners, to share knowledge and proactively create opportunities.

We pride ourselves on developing excellent relationships and consider them to be at the heart of everything we do. To help strengthen relationships, particularly between associates and clients, we hold a variety of networking events throughout the year, which include:

- Breakfast meetings
- Lunches
- Christmas party
- Summer party
- Wine and cheese evenings

## How to register

If you're interested in becoming an associate and being among the first to hear about our roles, please upload your CV on our website or alternatively you can email it to [info@methods.co.uk](mailto:info@methods.co.uk).

In order to find you the most appropriate roles, it would be helpful if you could include the following information in your message:

- Your current location and ability to travel
- Your preferred day rate
- Your availability for interview and work
- The level of clearance that you currently hold
- How you heard about Methods
